

FEDERAL COMMUNICATIONS COMMISSION
GETTYSBURG, PA 17325

To whom it may concern,

We have attached the below statement to explain the alien ownership of Haier US Appliance Solutions, Inc.

Qingdao Haier Co., Ltd. ("Qingdao Haier"), a Shanghai stock exchange-listed company, will acquire all the assets of the GE Appliances business component ("GEA") of the General Electric Company ("GE"), including those GE subsidiaries and affiliates associated with the GEA business. In connection with this sale, the successor in interest to GEA will be a newly-formed, wholly-owned subsidiary of Qingdao Haier, named Haier US Appliance Solutions, Inc. ("Haier US"), a Delaware corporation with EIN No. 81-1692501.

Since Qingdao Haier directly controls Haier US and is a corporation organized under the laws of China, GEA answered 'yes' in response to questions 98 and 99a on Form 603.

As part of this sale, GEA wishes to request authorization to assign to Haier US various two-way radio licenses presently held by GE for land mobile use by GEA under the industrial/business pool license category. Haier US, a US corporation, will be the assignee of the radio licenses in question.

In addition, for the GE subsidiaries (Roper Corp. and GEABPO, LLC) that hold two-way radio licenses relevant to this acquisition, GE is requesting a transfer of control related to those licenses.

Respectfully submitted,

Ashley Eversole
